Part 1: About Dignity Direct Homecare Ltd

Dignity Direct Homecare aims to provide a quality care and support service to people in their own homes in the local community. This will be carried out by the delivery of general support, monitoring of their welfare, personal care and domestic help. Our service is constantly reviewed to achieve a high standard through quality monitoring, flexibility and the personalisation of the service to the Service User. Our staff receive formal one to one supervision at regular intervals and their performance is monitored on a day to day basis. Each Staff member receives an annual appraisal of their training needs and this is recorded and acted upon. Our philosophy is to provide people with a flexible service to enable them as much choice as possible and to support them at home by experienced, well trained staff who are familiar with their needs. The service recognises that Service Users needs are of the utmost importance and support duties will be carried out in a manner that respects privacy and dignity. The service will study the Service Users wishes and preferences and the care plan will be produced to reflect this in a way that maximises the choice and independence of the individual.

We manage and train our employees with the aim that all of our Care Workers are offered to achieve a RQF diploma. All other employees receive the training appropriate to their work, for example Food Hygiene for catering staff. All employees receive annual training in health and safety matters such as moving and handling, fire awareness and procedures, adult protection issues, and a range of other matters.

Terminating your Contract with Dignity Direct Homecare Ltd

You can cancel the service at any time (and for any reason) within 14 days of the date of this Agreement (the "Cancellation Period"). A Service User may, at any time and for any reason, give Dignity Direct Homecare Ltd at least 14 days' written notice to terminate their individual service contract. If you give less than 14 days' notice, we reserve the right to charge a cancellation fee or a service suspension fee.

Please note, if you suspend the service for a period of time in accordance with the above paragraph, we cannot guarantee that the same Care Worker will attend your home when you resume the service.

Timesheets

It is the responsibility of each member of staff to ensure that their timesheets are fully completed and signed at the end of each assignment by the Service User.

Electronic Call Monitoring [delete where not applicable to the service]

It is the responsibility of each member of staff to ensure that they make a Freephone telephone call to an Electronic Call Monitoring Provider upon arrival at and departure from your home. This will be discussed with you at the start of your service.

Call Times

Call times are primarily set according to the Service User's wishes. Obviously, it is not always possible to achieve the exact requirements from day one and sometimes a compromise is reached. You will always be advised of any changes and your approval sought before any change.

Punctuality is a high priority and is monitored very actively. Our aim is to arrive on time, all the time. Our policy is that, if a member of staff knows that they will be more than 15 minutes late arriving, then the office or our out-of-hours manager will be notified and the Service User informed immediately.

Part 3: Key Policies and Procedures

Gender Choice

You have the right to choose the sex of the person sent to support you with personal care. This is because of the personal nature of the service. We will record your choice when we talk to you as part of the Care Planning process.

Handling Money

When Care Workers make financial transactions on your behalf for things like collecting pensions, shopping or paying bills, they will enter the details on the financial record sheet kept in your home. They will keep the receipt for shopping and count the change out to you. Care Workers must not be given cash cards or PIN numbers to obtain money from a bank on your behalf. Only financial arrangements that have been formally agreed and written in the Care Plan can be carried out for you.

Please contact the Registered Manager about any needs you have that are not being met, or if you are unsure whether or not they are being met.

Gifts, Wills and Other Documents

Dignity Direct Homecare Ltd aims to make sure that you receive a care service of the highest possible standard. To make sure our staff always work professionally and to protect you and our staff from any allegation of financial abuse:

- Care Workers are not allowed to accept gifts of money or other presents
- Care Workers are not allowed to accept loans
- Care Workers must not buy lottery tickets or sell you raffle tickets
- Care Workers must not sell to you from mail order catalogues
- Care Workers must not ask for sponsorship or for donations for charitable organisations or good causes
- Care Workers are not allowed to act as a witness or executor to legal documents and Wills
- Care Workers are not allowed to benefit from Wills
- Care Workers are not allowed to recommend tradesmen or a member of their family or friends to carry out work in your home

If you do require legal help, Dignity Direct Homecare Ltd can refer you to an impartial or independent source of legal advice.

Keys and Key Safes

Care Workers do not usually hold the house keys of people they visit. However, if there is a reason why this needs to be done, it must be formally recorded in advance as described in The Management of Keys and Key Safe Security Policy and Procedure at Dignity Direct Homecare Ltd.

Care Workers will be given the key safe combination numbers of the people they visit. The policy arrangements of Dignity Direct Homecare Ltd ensure that these numbers are kept securely and are never written down with the address.

Medication and Healthcare Related Activities

Care Workers will administer medication but only when it has been agreed and written in the Care Plan. Both prescription and 'over the counter' remedies must be agreed beforehand so that it can be checked as to whether the medicines will have no 'side effects' if taken at the same time.

Care Workers receive training in the administration of medication and we have several medication policies at Dignity Direct Homecare Ltd. Some health-related activities when agreed, need to be carried out under the supervision of a healthcare professional and staff will be only able to perform them when they have the correct training, are fully supervised and assessed as being competent to meet your health-related needs safely. Mr Saad Osman will need to give approval before any support is provided.

Care Workers are not allowed to administer medication from family-filled medication dispensers and no assistance can be provided that has not been formally agreed with the Registered Manager and detailed in the Care Plan.

Your Care Worker will record any medication administered on a Medication Administration Record each time they provide any medication administration support. Any verbal reminders or physical assistance in relation to medication will also be recorded on a Medication Administration Record.

- All complaints will be recorded in such a way as to highlight repeated problems

Infection Control

Care Workers are supplied with plastic aprons and gloves which they will wear when they carry out personal care duties. Care Workers need to wear protective clothing to prevent the spread of infection. Care Workers are also expected to wash their hands on entering and before leaving your home. Please contact the office if your Care Worker does not do this.

Smoke Free Law

Legislation states that a private dwelling is not defined as smoke free unless used as a place of work. At certain points in the day your home becomes a place of work for our care/support staff. For the health and safety of our staff, we ask you and anyone else present in your home, to refrain from smoking and ventilate any room that will be used for your care, for at least one hour before the agreed time.

If you smoke while your Care Worker is with you, the Care Worker will be obliged to leave your home for the duration of your smoking and shall not be permitted to re-enter your home until 1 hour after you last smoked. Any additional requirements or any variation to this clause will be specified in your Care Plan.

Private Work

Care staff are not permitted to undertake work for you privately and are not insured by us to be in your home either when you are not present or when they are not visiting as part of their agreed schedule of work with Dignity Direct Homecare Ltd.

Any direct engagement by you of a Care Worker supplied by us shall render you liable to pay either a Permanent Engagement Fee to us totalling £1000.00, or to engage the Care Worker for a further 6-month period.

Protecting you from Abuse and Harm

Dignity Direct Homecare Ltd is committed to ensuring that you will be protected from harm and abuse and enabled to live as independently as possible in a safe environment.

Care Workers receive regular training on how people must be treated, and they are trained to recognise if someone is being bullied, physically abused or suffer financial, emotional and psychological harm. Person(s) such as informal carers, relatives, friends and members of the Home Care Staff or other professionals can commit abuse.

Abuse can take form in subtle ways like Care Workers calling people pet names that they do not like or speaking to someone else in a language they do not understand, so that they do not know if they are being discussed or not, or Care Workers using their mobile

Dignity Direct Homecare Ltd

phone whilst they are providing care, or speaking over the head of a Service User to another Care Worker.

Any reports of abuse or concerns of abuse must be reported to Mr Saad Osman without fail. If you think you are being abused or are concerned you might be you can speak to Mr Saad Osman .

If you do not think you can speak to someone at Dignity Direct Homecare Ltd, you can contact, your local authority, Lewisham Council.

Your Telephone

Your telephone will not be used by Care Workers except for the following reasons:

- You or they have a medical emergency. We will not be responsible for payment of your telephone bill
- [Delete if not applicable to the service] To make a Freephone telephone call to an Electronic Call Monitoring Provider upon arrival at and departure from your home. This will be discussed with you at the start of your service

Withdrawal of Service

Where termination of contract is the only reasonable option after consideration, Dignity Direct Homecare Ltd will ensure a reasonable notice period of at least 28 days, unless safety issues require a swifter departure from the service.

Although Mr Saad Osman will take all possible measures to resolve problems, there are some reasons why the consideration of withdrawal of service have to be made and they are as follows:

- Physical violence towards staff
- Serious verbal abuse towards staff which includes swearing, making derogatory remarks that are racist or sexist and that are meant to cause offence to staff
- Refusing to adhere or co-operate with the risk control measures put in place under the Management of Health and Safety at Work Regulations 1999 and thus putting themselves and staff at risk
- Withdrawal of service will be considered when there are risks present to the health and safety of the staff that are unacceptable and no control measures can be found

Other reasons that Dignity Direct Homecare Ltd will consider in the withdrawal of the service is the continual pressure on staff to perform duties that are not part of the agreed Care Plan and the continual undermining of staff or threats of physical violence.

If you have failed to meet your financial commitments to Dignity Direct Homecare Ltd, this will also be a situation where withdrawal of the service is considered.
